

NEVER TOO OLD TO BOWL

YANKEE LANES

ENTERTAINMENT

Tuesdays aren't so bad when you start them with friends and a few strikes. The coffee is always flowing, and the trash talk is next level. We may not be as young as we used to be, but we can still throw a mean hook. It's the highlight of the week, and the competition is fierce, but we're all there for the laughs and camaraderie. See you on the lanes!
